

Romantic Ideas and Fun Things to Do

1. Get a pack of 3x5 index cards and write different things on them (i.e. slave for a day, back/foot massage, bubble bath) and fold them once. Put all the index cards in a shoebox and give your love the box, whatever they pull out you have to do.
2. Tell her how you feel in a game of Hangman.
3. Tell your lover you are their love Genie and you will grant him/her three wishes. Things get quite interesting...
4. Make a pair of dice, one for you and one for your significant other. Put different things on each face like, kiss, hug, massage. Then start rolling.
5. Make a little loving gesture every day for one full year.
6. Cuddle on the sofa and watch a movie.
7. Take a bubble bath together.
8. Walk on the beach in the moonlight.
9. Put a note in a romance novel saying, "The story is great but our own love story is the best".
10. Put a single red rose on the seat of your lover's car before they go to work.
11. Send your lover a virtual postcard at least once a week.
12. Get every movie starring your lovers favorite actor.
13. Keep twenty pounds of your lovers favorite candy on hand.
14. Listen to a romantic audio tape, fix a cup of hot flavored tea, and light two candles.
15. Keep a journal of your romantic fantasies. Share it with your soul mate.
16. Fill bathtub with warm water sprinkled with rose petals.
17. Fix a hot cup of Raspberry Chocolate, cuddle in a warm afghan and watch *An Affair to Remember*.
18. Send your love a letter with confetti hearts inside of the letter so they pour out everywhere when your sweetheart opens it.
